

2017 DOMINION WATERSHED MINI GRANT
NORTH FORK WATERSHED ASSOCIATION
ORGANIZATIONAL PROMOTION & OUTREACH
FINAL REPORT

The North Fork Watershed Association (NFWA), received a 2017 Dominion Watershed Mini-Grant through the Western Pennsylvania Conservancy in the amount of \$1,150 for Educational Watershed Signage and Outreach Materials. The North Fork Watershed Association utilized the Jefferson Conservation District, as their 510©3 pass through agent.

The North Fork Watershed Association was able to complete their goals of the requested and funded grant award. With the grant, five educational signs were purchased. The signs were placed along public bridges throughout the North Fork Watershed. The signs will raise public awareness about the North Fork Watershed and the partners who support the organization. The signs will also allow educate the public on watershed awareness and water quality.

The North Fork Watershed Association was seeking funds to purchase waterwheels to raise public awareness and encourage stewardship of the valuable natural resources present within the watershed. The waterwheels will be handed out at all NFWA events. The NFWA hopeful that by making our organization more present in the watershed community, an increase in memberships and volunteers for the organization will follow.

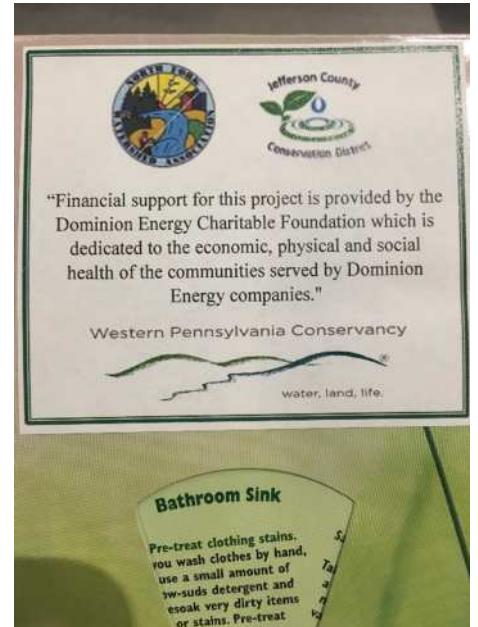

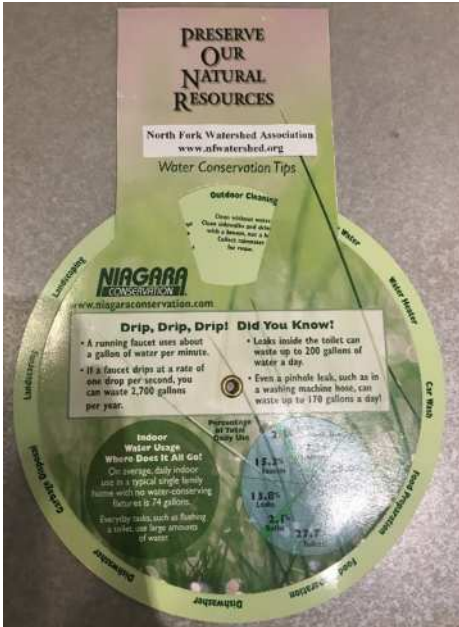

Budget Report

• Purchase of Watershed Signs	\$945.00
• Purchase of Outreach Materials (Waterwheels)	\$197.21
• Purchase of Labels for Outreach Materials (Waterwheels)	\$7.79
